If You Have Medical Insurance:

As a courtesy to you, Integrity Mental Health LLC will bill your medical insurance company for the services that are provided by our office. In order for the claim to process correctly, please ensure that the information that is provided to our office is accurate and current. If there is a change in insurance information, please let us know immediately. We will submit claims to secondary/tertiary insurance as long as we are given the correct information.

Deductibles, Co-Payments, and Coinsurance

Co-payments and deductibles are due at the time the service is rendered. Coinsurance and deductibles vary for each insurance policy and we can only approximate the percentage covered by each plan. You will begin receiving monthly statements with any balance after your insurance company has been billed. Delinquent accounts may be turned over to collection agency. You are responsible for any collection fees.

Referrals and Authorizations

A copy of your insurance card is required at every service. The card is descriptive and indicates whether or not an authorization is needed. If your insurance has designated a primary care physician (PCP), you must have required prior authorization from your PCP prior to your specialty office visit. If authorization is not provided, whether by yourself or through your insurance carrier, you will be required to pay for the visit at the time of services or reschedule the appointment until authorization is received.

Non-Participating Insurance Accounts

The financial obligations of patient who are insurance by non-participation carriers are considered a self-pay account. Self-pay accounts apply to patients who are covered by carriers with which that practice does not participate or patients without insurance or a card at time of service. It is ultimately your responsibility to verify coverage for your particular plan. If the insurance company denies the claim for a plan provision (for example pre-existing condition, maxed benefits, no outpatient services coverage), you will be responsible for the balance, and you agree to pay the full charge.

Medical insurance coverage is contact between you and your insurance company. Integrity Mental Health, LLC will not be involved in disputes between you and your insurance company regarding deductibles, co-payments, coverage charges, secondary insurance, 'usual and customary' charges, etc., other than to supply factual information as necessary. **You are ultimately responsible for the timely payment of your account.**

Payment Methods:

*We accept cash, checks, Visa, MasterCard, and Discover

*A \$25 fee will be charged to all patients for any returned checks

We are committed to providing you with the best possible care and we are willing to discuss our professional fees at any time. Your clear understanding of our Financial Policy is important to our relationship. Please ask if you have any questions about our fees, Financial Policy, or your financial responsibility.

I acknowledge that I have read and agree to the above Financial Policy
